Work: 1, 11000 Belgrade (Serbia)

WORK EXPERIENCE

SENIOR RESEARCHER IN CAPNUTRA

CAPNUTRA Capacity Development in Nutrition www.capnutra.org [May 2005 – Current]

City: Belgrade | Country: Serbia

Mirjana Gurinović, MD, PhD Nutrition, Research advisory, EC, WHO Expert, FAO Nutrition expert in the field of Sustainable Food Systems for healthy diets and public health nutrition scientists. Member of the European Commission (EC) High Level Expert Group (HLEG), whose mandate is to assess the needs, options, impacts and possible approach for an International Platform for Food Systems Science (IPFSS). https://ec.europa.eu/info/news/new-high-level-expert-group-assess-need-international-platform-food-systems-science-2021-feb-17_en

Contribution to the capacity development in nutrition aiming to improvement and harmonization of the nutritional research in Serbia as well in the Central and Eastern Europe/Balkan region as the first coordinator of the - Capacity Development Network in Nutrition in Central and Eastern Europe, NCDNCEE /CAPNUTRA, Serbia www.capnutra.org which was established in 2005. Organizing the Capacity development training and dissemination for Central and Eastern European countries(CEEC)/West Balkan region in the field of public health nutrition , sustainable food systems for healthy diet, dietary intake assessment tools application, Food classification (FoodEX2 and LanguaL), Food consumption collection and analysis, EFSA EU MENU methodology, Food Composition Database developing and maintenance. Active involvement in the ongoing projects where CAPNUTRA is partner : EFSA projects: Creation of Open Access EU Food Composition Database (EU FCDB)(2022-2025);RPC (Raw Primary Commodity) model update / 2020/01.TRAIN-DIE and Horizon 2020: FNS-Cloud Food Nutrition Security Cloud (New Horizon 2020 project, 2019 – 2023) Designing and creating the software applications/tools for the nutritional research infrastructure improvement; establishing the food composition data base in Serbia and Balkan region; harmonization of the micronutrient recommendations and dietary intake assessment methodology and evaluation on individual and population level; developing the action plan for nutrition and obesity prevention for Serbia; active involvement on development the European nutrition recommendation for cardiovascular diseases prevention. Contributed to the creation and establishment of the first online food composition database with nutritive values in Serbia which is harmonized with EuroFIR criteria and forming the Balkan Food Platform during EuroFIR Nexus FP7 project.

Developed DIET ASSESS & PLAN (DAP) advanced nutritional online tool for food consumption data collection, comprehensive dietary intake assessment and nutrition planning which contribute Implementation of Harmonized Food Consumption Data Collection in the Balkan Region According to the EFSA EU Menu Methodology Standards in 6 National surveys 2017-2023..(see below detail list of the projects, expert groups, publications available also https://www.researchgate.net/profile/Mirjana_Gurinovic and <https://www.capnutra.org/publications/>

MD PhD nutrition , Principal research fellow, Research team leader-nutrition for EC projects

Centre of Research Excellence in Nutrition and Metabolism Institute for Medical Research, National [

22 Feb 2006 – 30 Jun 2022]

City: Belgrade | Country: Serbia

Research team leader for the EC projects FP6 and FP7 in the Centre, responsible for and Master thesis and PhD thesis for the colleagues in the Centre.

Personal home page: <http://srbnutrition.info/english/portfolio/dr-mirjana-gurinovic-naucni-savetnik/>
<https://orcid.org/0000-0002-8649-6267>

https://www.researchgate.net/profile/Mirjana_Gurinovic

EFSA project-Support to National Dietary Surveys in Compliance with the EU Menu methodology (sixth support) - "The adults' survey", including subjects from 10 to 74 years old. 2017-2022, Research Team leader in Serbia and research advisor for the survey in Bosnia and Herzegovina

EFSA project-Support to National Dietary Surveys in Compliance with the EU Menu methodology (sixth support) "The children's survey", including subjects from three months up to 9 years old, 2017-2021, member of the research team in Serbia

Member of the EFSA Scientific Network on Food Consumption Data, representative for Serbia from 2017-2023

FAO Expert and Nutrition consultant FAOREU, EFSA Hearing Expert, a recognized expert in the field of public health nutrition, actively engaged in research on nutrition, food composition data bases, public health nutrition epidemiology, Sustainable Food Systems for healthy diets, harmonization of the dietary intake assessment, nutrient recommendations, food and nutrition policy, nutritional tools development and research infrastructure.

She had leading and active role in several national, bilateral and international food and nutrition research projects (EC FP6 and FP7 NoE projects, including EURRECA, EuroFIR, CHANCE, EuroFIR-Nexus, ODIN, four EFSA projects and member of project advisory board in EuroDISH project).

Expert Group member responsible for Nutrition and Obesity prevention in the National Strategy and Action plan development within primary prevention programme for the Cardiovascular diseases (CVD) prevention in Serbia.

Coordinator of the Regional Symposium on Sustainable Food Systems for Healthy Diets in Europe

Food and Agriculture organization UN, Regional Office for Europe and Central Asia [3 Jul 2017 -

15 Dec 2017]

City: Budapest | Country: Hungary

Coordinator of the Regional Symposium on Sustainable Food Systems for Healthy Diets in Europe and Central Asia, A joint FAO/WHO Regional Symposium and initiative in collaboration with UNICEF and WFP held in Budapest, Hungary, 4-5 December 2017, <https://www.fao.org/europe/events/detail/Regional-Symposium-Sustainable-Food-Systems-for-Healthy-Diets-in-Europe-and-Central-Asia/en> **Food and Agriculture organization of the United Nations, Regional Office for Europe and Central Asia (REU), Budapest, Hungary.**

Work as nutrition expert consultant: Inputs to Concept Note, Development of symposium programme, proposal of keynote speakers, panel discussion experts and moderators, preparing and posting expression of interest from non-State actors, contacting and ensuring the involvement of all speakers in the events (from various sectors - government, UN Agencies, research, academia, civil society, private sector), collecting and reviewing the abstracts and key messages from each contributor, writing instructions for speakers and posters presenters, coordinating pre-event on-line discussion -Facilitator for two online consultations through the Food Security and Nutrition Forum (FSN) conducted to provide input to the Symposium consultation on Promoting sustainable food systems for healthy diets in Europe and Central Asia: the key role of school food and nutrition programmes http://www.fao.org/fsnforum/eca/activities/open-calls/FSN_policy_implementation , and the Call for good practices and lessons learned on food security and nutrition policy implementation in Europe and Central Asia region <http://www.fao.org/fsnforum/eca/activities/discussions/school-food> during June-December 2017)

MD, PhD, Specialist of Hygiene and Medical Ecology, Head of Nutrition Department in Public Health

I

Public Health Institute [Aug 1985 - Feb 2006]

City: Subotica | Country: Serbia

Working in a team and coordination of the food quality and food safety control; Nutritional status and dietary studies monitoring and promotion of healthy diet in population with primary prevention programme for CVD prevention implementation. Creation of the first electronic version of the food composition data base and the software for nutrition planning and dietary intake monitoring and evaluation as well as for population nutritional status monitoring.

EDUCATION AND TRAINING

PhD Thesis

Medical faculty, University of Novi Sad [1990 - 1994]

City: Novi Sad | Country: Serbia | Level in EQF: EQF level 8

PhD thesis title: "Risk factors of cardiovascular diseases in school children" , Serbia

Master degree

Medical Faculty [1987 – 1990]

City: Novi Sad | Country: Serbia

Master thesis title: "Nutrition quality of school meals and nutritional status of school children in Subotica",

Specialisation of Hygiene (nutrition)

Medical faculty, University of Novi Sad [1985 – 1988]

City: Novi Sad | Country: Serbia

Medical doctor

Medical Faculty, , University of Novi Sad [1975 – 1981]

City: Novi Sad | Country: Serbia
